WELCOME

Hello beautiful people

Welcome to this unique yoga retreat in the beautiful region of Puglia . The month of May is when I personally start to travel again and when I take a moment to revisit my new year's goals. In order to do this, I truly need to be in a place of grounding, where my mind, body and heart can be united, just as yoga teaches us. This five days yoga retreat will blow your mind away, because it will help you achieve this unity.

Reset - Rewind - Explore is an intimate retreat for max eight guests, at the gorgeous Palazzetto Giravolta in the old town of Lecce. It combines the best yoga practice with the best of what Puglia has to offer: delicious plant-based and vegetarian food, great activities and wonderful sightseeing.

Let's yoga first

With 700 hours of qualifications and thousands of classes thought between London and Dublin, yoga has become my full time occupation and my life. I define my classes as "Aligned". You will discover the whole meaning behind this word during the retreat, how to be in the moment, let go of the past and take it all in.

Whether you are new to yoga or an advanced practitioner, the daily classes (2 x 90min) will cater to all levels, range from Yang to Yin and provide lots of adjustments, modifications and options.

THE FOOD

Healthy Apulian meals

You will taste the seasonal vegetables, pasta, grains and fruits with an Apulian touch lovingly prepared by a local food expert.

Breakfast and dinner will be served on the gorgeous al fresco terrace. And you won't feel guilty for indulging in clean and tasteful food that makes you feel good. Our food expert makes the plant-based and vegetarian recipes fun, creative and packed with nutrients.
